<sup>1</sup> This map shows tribal census tract boundaries and numbers. A tribal census tract is a type of census tract defined within a federally recognized American Indian reservation or off-reservation trust land for the purpose of providing data based on an American Indian hierarchy rather than by state and county.

ENTITY TYPE: American Indian Reservation Equivalent  
NAME: Pit River Trust Land (T2835)  
ST: California

All legal boundaries and names are as of January 1, 2000. The boundaries shown on this map are for Census Bureau statistical data collection and tabulation purposes only; their depiction and designation for statistical purposes does not constitute a determination of jurisdictional authority or rights of ownership or entitlement
